16 x 20 is max size. Pricing is by square inch, fractional sizes will be priced at the next higher whole inch.

A net set-up charge of \$12.50 will be added to the first order.

This includes typesetting, layout and scanning spot color, camera ready artwork.

Complex artwork must be supplied in color and in an acceptable file format.

If we are to develop artwork, or if artwork supplied requires cleaning up, a \$40 per hour charge will be added. Minimum art charge \$20.

Full-color sublimation plates are printed in any number of colors including 4-color process.

NOTE: Some colors do not reproduce well on colored (gold, silver, copper, etc.) metal.

We cannot Guarantee PMS color matching.
